2010 Annual Report
*Accomplishments Overview***

PFLAG's Mission:

Promote the health and well-being of LGBT persons, their families and friends through: support, to cope with an adverse society; education, to enlighten an ill-informed public; and advocacy, to end discrimination and to secure equal civil rights. PFLAG provides opportunity for dialogue and acts to create a society that is healthy and respectful of human diversity.

Key Accomplishments in FY2010

1. **Build Organization Capacity:** Provided field-based support and training to 134 chapter in 31 states, and published/distributed a new national chapter manual. Assisted in the planning and execution of 10 state/regional conferences. Conducted 12 in-person field-based Straight For Equality training programs, in addition to conference call/webinar trainings.
2. **Advancement in Public Policy :** Completed the 2010 *Bringing the Message Home* policy guide in time for August recess and worked with chapters in 10 states to schedule and attend 30 specifically targeted in-district meetings. Conducted 245 Capitol Hill lobby visits, using the unique PFLAG ally voice to educate members on key issues, including the repeal of *Don't Ask, Don't Tell*. Took a leadership role in moving the *Every Child Deserves a Family Act* forward, coordinating numerous related projects with Administration officials.
3. **Making Schools Safer:** Safe Schools team at PFLAG conducted seven certification trainings around the country, and provided followup assistance to training recipients. Launched the *Claim Your Rights* section of the PFLAG National website, and updated the DOE's training to include information on LGBT issues and *Claim Your Rights*, and currently working with DOE to monitor claims made through this effort.
4. **Focus on Faith Communities:** Developed *Straight for Equality in Faith* community resources and piloted the program in five California communities. Started phase two of development of this resource, which includes in-person and webinar train-the-trainer tools.
5. **Focus on Chapter Diversity:** Diversity Outreach Manager conducted follow-up calls with diversity outreach training participants, and continue to help them with chapter diversity projects. Hired for a part-time diversity position to help with diversity outreach, and to overhaul the diversity training and diversity Best Practices guide.
6. **Equality in the Workplace:** Under the leadership of the Director of Equality and Diversity Partnerships we facilitated 37 corporate consultations and trainings, including work with 11 new corporations, integrating local PFLAG chapters into those Straight for Equality in the Workplace trainings. We also connected with healthcare professionals through two national conferences and events to bring Straight for Equality in Healthcare trainings to medical/healthcare environments.
